GARAGE  
DIRECTIONS

The Garage is physically close to 11 Southcot Place but a 2-3minute walk away – See below.

It's slightly easier to visual using Google 3D Maps

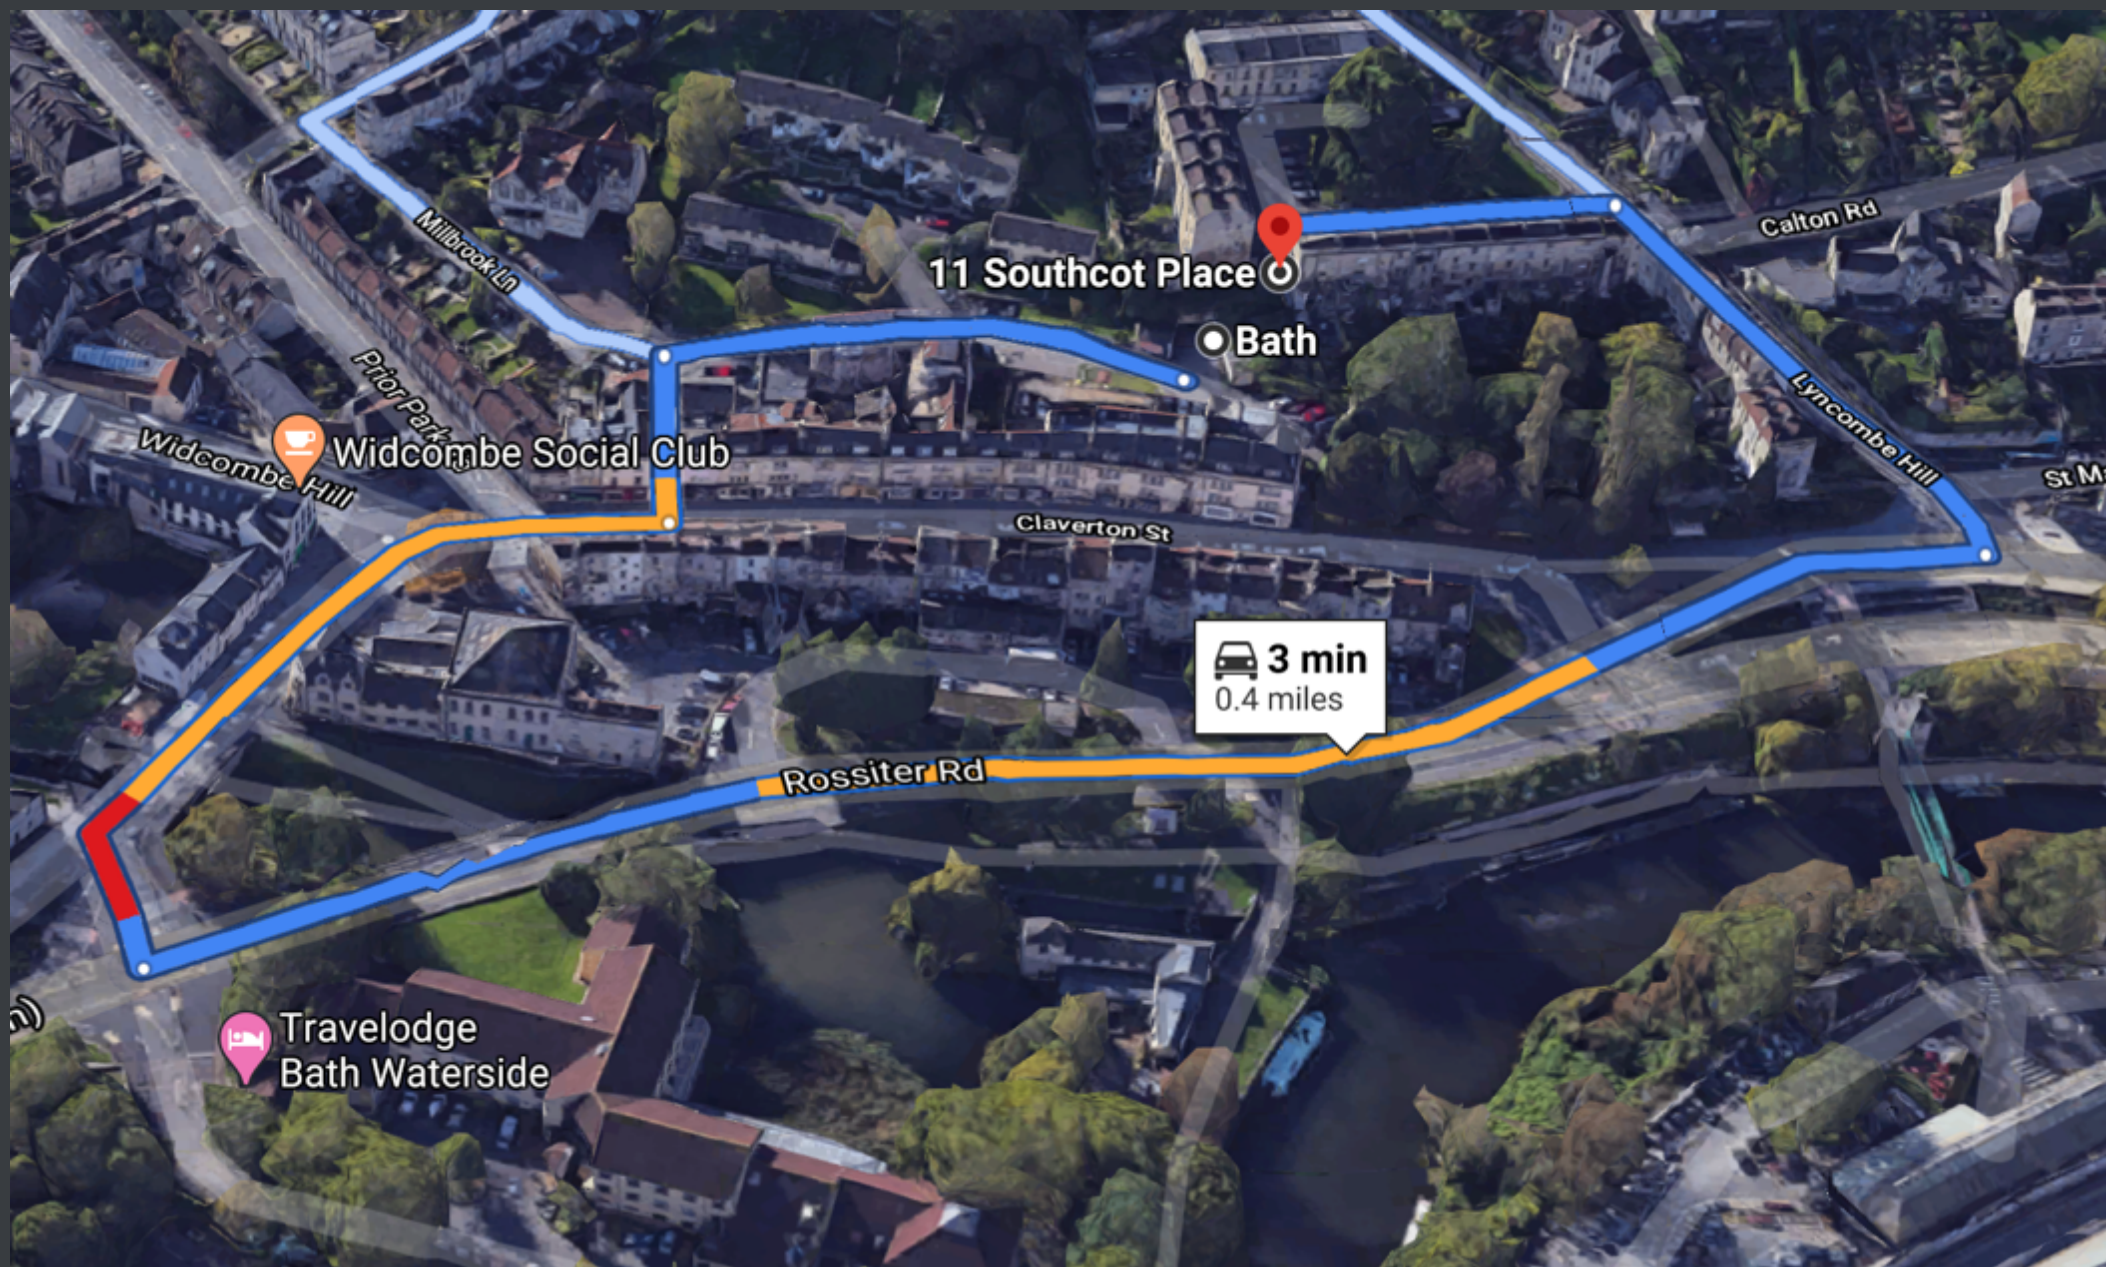

It's slightly more difficult to drive there because of the one way system

This shows how to drive from the Garage to Southcot Place (do not go up Millbrook Ln – it's very narrow)

This is the Garage. Please note that whilst we do have a security camera and the padlock combination code is changed regularly – the Garage is used at your own risk.

The Garage Door Opening is 1.97m wide and 2.12m high.

The Garage is 2.35m wide and 4.95m long

Please note that our experience is that the maximum width of car that's practical to park is 2m wide.
